The screenshot shows the 'Processes' window in Solarwinds Dameware Remote Support. The main window title is 'DameWare Remote Support - Processes [SE-AUS-TPAR-02]'. The interface includes a menu bar (File, AD, Domain, Machine, Tools, System Tools, Processes, View, Window, Help) and a toolbar with various icons. On the left, a 'Browser' pane shows a tree view of the remote machine's resources, with 'Processes' selected. The main area displays a table of processes with the following data:
